Major Information

This is a “Specialized Admissions & Limited Enrollment” major. This means that with earning the A.A. degree, and successfully completing each of the required pre-requisite courses, with the required final grades, and having the required overall GPA (meaning ALL college-level courses ever taken at any institution, at any time, no “grade forgiveness” calculated), that you are qualified to complete the special application process to this major. **Meeting the minimum requirements for admission does not guarantee admission to the program.**

Formal acceptance into the major occurs ONLY in the Summer semester. Transfer students are STRONGLY encouraged to apply for the Spring semester only as major courses are restricted to formally accepted students.
