Major Information

This is a “Limited Access & Enrollment” major. This means that with earning the A.A. degree, and successfully completing each of the required pre-requisite courses, with the required final grades, and having the required overall GPA (meaning ALL college-level courses ever taken at any institution, at any time, no “grade forgiveness” calculated), that you are qualified to complete the special application process to this major. **Meeting the minimum requirements for admission does not guarantee admission to the program; admission is competitive.**
