**\*\*This is a double-major-only program.** FSU-Teach majors are first admitted into their primary, discipline-specific major and must meet the state-wide common program prerequisites for that major (in this case, the Bachelor of Arts Computer Science degree program). Later, students apply for admission into a secondary major within the College of Education called Secondary Science or Mathematics Teaching (SSMT). Upon graduation, students are awarded the B.S. degree with majors in Computer Science-Math/FSU-Teach and SSMT.
